\section*{Notes}

\section*{Borrower-Paid Premiums (BPMI)}

Premium is collected from the borrower(s) as part of the monthly mortgage payment.

\section*{Lender-Paid Premiums (LPMI)}

Premium is paid by the lender, the borrower is not charged separately.

\section*{Monthly Premiums}

To determine the monthly premium amount, multiply the applicable premium rate by the loan amount, divide by 12 , and round to the nearest cent.

\section*{Deferred Monthly Premiums}

When the Deferred Monthly option is chosen, no premium is due at closing. Premium is billed monthly, beginning with the first mortgage payment. Premium rates are unchanged.

\section*{Level Renewals}

Level renewal premiums are calculated on the original loan balance. The rate remains the same for years 1 through 10. For years 11 through term, the rate is reduced to \(0.17 \%\) or remains the same.

\section*{Amortizing Renewals}

Amortizing renewal premiums are calculated by applying the rate to the outstanding loan balance as of each annual anniversary date of the loan. The rate remains the same for years 1 through term.

\section*{Fixed-Rate Mortgage}

Reflects a fully amortizing mortgage with level interest rates and payments for the first 5 years. All plans must meet the following conditions: (1) the loan period cannot exceed 40 years and (2) offer no temporary buydowns, rate concessions, graduated payment features or potential for negative amortization.

\section*{Non-Fixed Rate Mortgage}

Reflects a fully amortizing mortgage that features payment changes or the potential for payment changes during the first 5 years of the mortgage. Examples of these mortgages include 3/1 ARMs and loans with temporary buydowns.

For Non-Fixed Rate mortgage premium rates, multiply the applicable Fixed Rate base rate (prior to the application of any adjustments) by 1.35 and round to the nearest basis point, and then apply adjustments as applicable.

\section*{Refunds}

Refunds for refundable BorrowerPaid Monthly Premiums, if any, are calculated pro rata. Cancellation under the Homeowners Protection Act of 1998 (HPA) will result in refund of unearned premium. Lender-Paid Monthly Premiums are non-refundable.

\section*{Minimum Rate}

Monthly premium rates cannot be adjusted below 0.15\%.

\section*{Underwriting Guidelines}

For underwriting guidelines and eligibility requirements please visit Credit Union Rates and Guidelines at essent.us.

\section*{Rate Implementation}

Unless otherwise specified, borrowerpaid rates are based on property location, and lender-paid rates are based on lender location. Rates and adjustments are subject to state regulatory approval. Rates may vary by application of filed rating rules.
For state availability, please reference Rate Availability Chart in Rates \& Guidelines at essent.us. For questions regarding Essent's rates, coverages, and explanatory notes, please contact Essent at clientservices@essent.us or your Essent Account Manager.
