Re: Enhancements to Essent Online Tools
Effective: November 18, 2018

To improve user experience, we have enhanced access to Essent Online to create a “one-stop-shop” experience for all of our online tools, including Rate Finder, MI Ordering, MiDocs, MI Servicing and Loss Management.

- **Streamlined Navigation.** Users can now move seamlessly between tools using a new universal navigation feature.
- **Profile Management.** Users can also manage the default settings for tools they use via a new “User Profile” area, which includes a new email notification feature for documents that have been successfully uploaded to MI Ordering, MiDocs and Loss Management.

Additionally, we have added our new Fannie Mae **MH Advantage™** offering to our Rate Finder and MI Ordering tools.

We are confident that you will find these changes beneficial. We value your feedback and pledge to continue making changes to improve your Essent Online experience.

If you have any questions about Essent Online or need additional tools for your user account, please contact your [Essent account manager](#) or EssentCONNECT at 855.282.1483 | essentconnect@essent.us.
