## BPMI Rates Credit Unions

Effective Date:
April 15, 2013

## Credit Union BPMI Notes

## Monthly Premiums

To determine the monthly premium, divide the rate by 12 months.

## Deferred Monthly Premiums

When the Deferred Monthly option is chosen, no premium is due at closing. Premium is billed monthly, beginning with the first mortgage payment. Premium rates are unchanged.

## Annual Premiums

The Ml premium is paid once a year.

## Level Renewals

Level renewal premiums are calculated on the original loan balance. The rate remains the same for years 1 through 10. For loans utilizing the Credit Union Monthly Rates, the rate is reduced to $0.17 \%$ or remains the same for years 11 through term. For the Essent Standard Rates, the rate is reduced to $0.20 \%$ or remains the same for years 11 through term.

## Amortizing Renewals

Amortizing renewal premiums are calculated by applying the rate to the outstanding loan balance as of each annual anniversary date of the loan. The rate remains the same for years 1 through term.

## Single Premiums

The premium is calculated using the appropriate rate for the net Loan-toValue ratio (LTV) times the base loan amount. Net LTV is measured prior to the inclusion of any financed premium.

## Fixed-Rate Mortgage

Reflects a fully amortizing mortgage with level interest rates and payments for the first 5 years. All plans must meet the following conditions: (1) the loan period cannot exceed 40 years and (2) offer no temporary buydowns, rate concessions, graduated payment features or potential for negative amortization.

## Non-Fixed Rate Mortgage

Reflects a fully amortizing mortgage that features payment changes or the potential for payment changes during the first 5 years of the mortgage. Examples of these mortgages include 3/1 ARMs and loans with temporary buydowns.

## 30-Year Mortgages

Must fully amortize in 26 years or more to a maximum of 40 years.

## <25-Year Mortgages

Must fully amortize over a maximum of 25 years.

## Cancellation

Coverage remains in effect until canceled. Refunds for Annual and Monthly Premium Plans, if any, are calculated pro rata. Cancellation under the Federal Homeowners' Protection Act of 1998 (HPA) will result in refund of unearned premium.

## Minimum Rate

Monthly premium rates cannot be adjusted below $0.15 \%$. Single premium rates cannot be adjusted below 0.69\%.
