Re: Enhancements to Essent Online Rate Finder
Effective: July 16, 2017

We are pleased to announce an enhancement to Essent Online Rate Finder that will make your mortgage insurance (MI) rate quote experience even better.

Highlights of Changes

We added a new **“Retrieve”** feature to give you the ability to recover previously requested rate quotes.

1. Enter the Quote ID to retrieve your quote.

- Each rate quote request within our Rate Finder tool is assigned a Quote ID, located in the upper left corner of the results screen or the upper right corner of the quote PDF.

2. Upon retrieval, you can perform any of the following tasks:

- Revise the data to request a rate quote on a similar scenario (each scenario will have its own Quote Id)
- Create a new quote for a completely new scenario
- View and/or email the PDF of the retrieved rate quote

We are confident you will find these changes beneficial. We value your feedback and we pledge to continue making changes to improve your Rate Finder Online experience.

If you have any questions about Rate Finder, please contact your Essent account manager or EssentCONNECT at 855.282.1483 | essentconnect@essent.us.
